Skating came very naturally to me and I'm on the ice trying new tricks and just having fun any chance I get. I enjoy working with children too.

MEET SKATE INSTRUCTOR: DONAVON

- I grew up on skates! I started skating in the Anoka Association and played hockey there through 'A' Bantams. I played 5 years of junior hockey starting at age 15 as one of the youngest players in the nation. My path has brought me to Lake Placid NY as part of Team MN twice and a national All Star game. I also played college hockey for Saint Mary's University.

If you fall...dust yourself off, get back up, and move forward!
